GIVING TREE

THE GIVING TREE NEEDS YOUR HELP!!

We still have \$24,000 left to raise and only 2 1/2 weeks left!

A HUGE THANK YOU to everyone who has donated or pledged their non-financial support for The Giving Tree campaign.

If you are considering making a gift, NOW is the time! Our target is \$300 per child, however no donation is too small, and every donation makes a difference! If you are able to do more during these challenging times in support of our community members that cannot, *please* do.

Everyone can help us achieve our goal of 100% participation in the Campaign, as participation consists of:

- Donating a cash gift online by credit card,
- Mailing a check, pledging a gift on a future date or pledging a monthly gift, and/or
- Pledging to a continued gift of friendship and volunteering.

Children in the grade-level with the highest participation rate (based on number of contributions AND pledge/volunteer forms submitted) will have a celebration with their class. Currently 5th grade is in the lead with Kindergarten, 2nd and 3rd grade closing in! Thanks to everyone for your participation and support of our wonderful school!
